The purpose of this guide is to serve as a starting point for ideas for you to earn extra money. Let this list be a source of inspiration to you!

Whether you've only got a few spare minutes to make a quick buck or if you are willing to burn the midnight oil in the hours after your full-time job and put in maximum effort, there are SO many ways to earn extra money

1. Get Paid To Do Simple Writing Jobs

You will be trained in everything you need to know to complete these beginner-level writing jobs, including having support from our team all the way through from your first job to receiving your first paycheck. Starting pay is \$28 per hour and you can work up to higher rates of pay as you gain more experience.

Your job will be to help businesses with writing content for their website, blog, email list and social media accounts. This could be writing a weekly blog, posting a Facebook update each day, replying to comments on YouTube and Twitter or writing and replying to customer emails. Full training is provided on all aspects of the job. [Get Started Here](#)

2. Get Paid To Write Reviews On Your Phone

How does popping in your headphones and receiving a big paycheck to listen to music sound? Pretty good, I bet. You'll want to apply for today's available job ASAP because we're looking for one remote worker to test and review music apps like Spotify.

3. Get Paid To Take Surveys Online

There are many sites that pay a decent chunk of change for the low maintenance, borderline mindless task of completing surveys.

The best way to make money with surveys is to sign up for several different sites. That way you never suffer from a survey shortage.

Some of our personal favorites include:

- [InboxDollars](#) (\$5 Signup Bonus)

4. Join The Blogging World

Disclaimer: Blogging is not easy money.

But, it can end up being life changing money. There are thousands of bloggers who have turned their online income into enough to replace their full time job.

Pick a niche that interests you. Whether it be a lifestyle oriented blog where you talk about home decor, the newest trends in dress, celebrity gossip, a sports forum, or even a place to share your love for cooking.

You can start a blog and write about it.

Turn your passion into a business and run with it.

Every blog needs “hosting.” We recommend HostGator for new bloggers, and you can use this [link](#) to get started for under \$4 a month [GET STARTED](#)
